Dear BARBIE,

My name is Tiffany and I'm in the fifth grade. I have a brother in the third grade, and we enjoy taking turns acting like we are the characters while we read BARBIE comics. He will be the boys, and I will be the girls.

By the way, you're very pretty. I want to be as popular as you when I grow up. But I have brown hair and brown eyes, and a dark complexion. I want to be just like you when I grow up, but I know that I have to be myself, and go out and reach for my goals.

And yes, Barbie, I will go out and try to keep getting good grades so someday I can be a lawyer. I like being myself!

I hope you will continue doing BARBIE comics for a long time!

Tiffany Gray, age 11
Camden, AR

Wow, Tiffany! We couldn't have said it any better! It's nice to hear that you really like being you! Being yourself is the best thing you can ever be! When you like yourself, and believe in yourself, you can reach any goal. We know you'll go far, Tiffany!

Dear BARBIE,

Hi! My name is Jennifer. I am 10 years old. It is very fun to read your comics, especially when you went to space camp. That was very cool and fun.

Goodbye for now! Please write back!
Jennifer Enloe, age 10
Murphy, NC

We're glad that you wrote to us, Jennifer, but unfortunately, we cannot respond personally to every letter that we receive. If we tried to write back to every one of the hundreds of readers who write to us every week, we'd never have time to put together BARBIE comics!

But we love reading all the letters we receive, and we publish as many as we have room for right here on this page every month!

Dear BARBIE,

I love your comics. My favorite story is "Pony Express."

My cousin and I play with Barbies. She goes crazy when she finds a Barbie with messy hair! She combs it and combs it, until the comb is filled with hair!

Carrie Petrix, age 8
Bronx, NY

Sounds like you and your cousin have a lot of fun together, Carrie! And we know none of your Barbie dolls has messy hair!

Dear BARBIE,

Hi! I'm Sarah. How are you? I'm fine. I love your comic books! My favorite story is "Adventure at Sea."

Whenever I go to the comic shop, I buy comics about you! I hope your series never

Dear BARBIE,

I love your comics! I like to draw fashions for Barbie, and see the fashions that other readers have drawn.

I think you are the best person in the world. Lots of people think Barbie is for babies, but I don't believe them. I have a big collection of your comics. When I saw my first one, I knew I would love them!

I live with my mom, dad, and brother, Matt. I love reading. Could you write a comic about Skipper being nervous about a test? I would love that because I'm always nervous when there's a big test
